	TABLE OF CONTENTS		
		<p>Article 5 (2) of Implementing Regulation 2017/217 states that 'Infrastructure managers shall provide a common template to be developed by the railway sector in cooperation with regulatory bodies by 30 June 2018 that operators of service facilities may use to submit the information.'</p> <p>This Common Template for Service Facilities is the result of a solution developed by RNE and IRG-Rail in cooperation with the railway sector and is aimed at supporting the Service Facilities Operators (SFO) in producing the information documents according to the requisites of Implementing Regulation 2017/2177. SFOs can choose to adopt this common template or develop their own specific template, to be published on their own website or a common portal, as long as the legal requisites are met.</p> <p>While using this template, the following <b>legend</b> is applicable (this segment is for the consideration of the editor only and should not be featured in the SF document):</p> <ul style="list-style-type: none"> <li>- Requirements in standard font are mandatory in any case according to Article 4 (2) IR 2017/2177</li> <li>- Requirements in italics are mandatory where applicable according to IR 2017/2177</li> <li>- Letters in brackets refer to the IR 2017/2177 applicable paragraphs of article 4 or other identified articles.</li> </ul>	

		Exemptions may be granted by the Regulatory Bodies (RBs) on a case by case basis for requirements marked with *	All the rest of the information is optional
